

Terms and Conditions of Trina Solar's "Installer Lottery Q4_2023" Promotion

1. Overview

Trina Solar is doing a lottery for installers in Europe who have purchased at least 50 kWp Trina Solar Modules in the promotion period from 01.09.-30.11.2023 via solar module distributors in Europe Member States, United Kingdom and Switzerland (EU-Distribution). We invite installers in the PV industry to participate in this lottery by signing up in the registration form and uploading verified proof of the purchased Trina Solar Modules.

Participation in the competition is only possible for installer companies in Europe Member States, United Kingdom and Switzerland.

2. Timeline

- 01 September 2023 to 30 November 2023: "Promotion Period": participating installers have to buy at least 50 kWp Trina Solar Modules from EU-Distribution to participate this lottery.
- 15 September 2023 to 15 December 2023: "Registration Period": Installer can register for the lottery and upload their purchase/ proof of delivery on the website form on <https://lottery.trinasolar.com>
- 01 December 2023 to 31 December 2023: Trina Solar team reviews registrations and proof of purchases
- 01 January 2024 to 31 January 2024: Trina Solar will first reach out to the winners to inform and congratulate them. Trina Solar will then announce the winners via official communication channels.

3. How to Participate

- Only installers in the PV industry (and therefore, their installer companies) can participate in this promotion.
- In order to enter the competition, the company must be based in Europe.
- Participation in the promotion will be only available through Trina Solar's official webpage <https://lottery.trinasolar.com>
- In order to enter the lottery, the installers need to buy at least 50 kWp Trina Solar modules in the promotion period from European distributors.
- In order to enter the competition, participants must provide the following information:

- Contact Person information: name, surname, email address, phone number.
- Company information: company name, country/location, social media channels.
- Proof of purchase / proof of delivery for at least 50 kWp Trina Solar Modules within the promotion period

4. Awards

The prizes are open to all participants who enter the promotion and comply with these terms and conditions. Trina Solar may cancel or replace the prizes of this promotion. Any changes will be reflected on the website.

The prizes will be drawn in a lottery and will consist of the following prizes:

- 4x trips to China for a Trina Solar Factory visit + further sightseeing (2 persons per winning installer company)
- 8x Electric Scooter
- 8x food truck party for your next company event

The winners will be announced on Trina Solar's "Installer Lottery Q4 2023" official website (<https://lottery.trinasolar.com>) and in official communication channels.

Each winner will receive an email with the award information sent by Trina Solar Europe. If the winner can't get in touch within 5 working days after the lottery or fails to abide by the prize terms on this page, Trina Solar has the right to award the prize to a newly drawn winner. In order to receive the prize smoothly, the winner will have to provide a real registered company name, telephone number, email, address and all the other information required by Trina Solar.

If the winner is unable or unwilling to confirm its identity, Trina Solar will keep the prize until the winner's identity is confirmed or reevaluate the participant's eligibility for the prize.

The line manager or management team of the organization of the Winner shall confirm the acceptance of the Prize in written or oral form.

5. General Considerations

- Participation in the promotion will be only available through Trina Solar's official webpage (<https://lottery.trinasolar.com>)
